

THIS WEEK'S TIPS TO DEEPER FRIENDSHIP

(whether or not you're in a huddle)

1. Text and Call a friend to encourage/check in. Tell him:

- a funny memory or story can be a fun start.
- a positive memory or compliment.

2. Ask ONE of these questions about how he's doing:

- What's good & what's hard lately?
- 0-10, how peaceful & positive do you feel?
- 0-10, how's your relationship with your wife/other?
- 0-10, how's your relationship with each kid?
- What are you grateful for lately?
- 0-10, how's your relationship with the Lord?
- What's most important I can pray for you?

3. Ask what he'd most like to do with an hour or two of free/fun time? Suggest doing it together in the next month. Aim to use that time to ask and share a bit of your life stories.

Questions for future conversations:

- What's the most important thing going on in you?
- Has Father God been telling or teaching you something?
- Have you been closer to God as Father, or not so much?
- If we choose to connect soon, what's the most important area of your life you'd like or need to talk about?
- What situations now or upcoming decisions do you have?
